

# WALKING GAMES

Liven up your family walk with these 3 games.

## 1. WALKING BINGO

Spot one of these objects and call BINGO! The person to find them all first wins.

### The rules

- You must say BINGO first. If another player spots the same object, the person who says BINGO first can claim that object.
- Two people can't say BINGO for the same object.
- If you find a group of the same object (for example, three white dogs), only one person can call BINGO, not three people.

Come up with your own list. You'll find a blank table on the next page to add your own objects.

 Yellow Flower	 Feather	 Rubbish
 Someone wearing a hat	 Blue Car	 Bird
 Number plate with the letter 'B'	 Butterfly	 White dog

## 2. ABCs WALK

If you have a little one learning their ABCs, this is a great game to help them learn and have fun too. Find something on your walk that starts with every letter of the alphabet.

## 3. FOODS THAT START WITH E?

Think of a category, like foods or place names. Pick a letter. Take turns coming up with something that starts with the letter you chose and fits into the category. Keep going until a player can't think of something or an answer gets repeated.

## INVENT YOUR OWN WALKING BINGO

Come up with your own objects to spot.
